He was SENT to save.

Likewise, Jesus SENT us into our homes, communities, and world with His message of salvation.

We are SENT to share.

No matter what we do, where we go, or who we meet, the inescapable directive of our lives is this:

We are SENT.

John 17:18

Live Streaming
August 8, 2010

When you register your church for One Day, you will be sent the One Day Vision DVD featuring J.D Greear speaking on "Missional Small Communities". In the videos, J.D. casts a vision for the importance of small groups or classes having a missional orientation. We suggest you show the Missional Small Communities video during the opening session when you train your leaders at your One Day Orientation. We believe that having your entire Bible study leadership watch this video will help bring clarity of purpose to your small group or Sunday School organization. An alternative video idea is Bob Mayfield, BGCO Sunday School Specialist will be live streaming "5 C's to Missional Small Communities" on Sunday August 8. This will be available live on the 8th, available for download by the 10th, or available on DVD by the 16th

Mission Oklahoma. During September and October, encourage every class or group in your church to conduct a mission project in your community. This is the follow-up plan where your groups will actually participate in missions. Sometime in late October or November, conduct a "mission walk" during the Sunday School hour and ask the classes to put together presentations (pictures, video, testimonies, etc.) of their class mission project. Your people will be amazed at what God will do when we choose to engage our communities with the gospel
